## SCHOOL TRAVEL ADVICE

U-Go Mobility operates dedicated school specials, buses beginning with an S, and public services that take diversions to schools. This advice sheet describes those buses, when they arrive at the school and when they depart, as well as their route.

For personalised trip planning advice between home and school, either call Transport for NSW (TfNSW) on 131 500 or use their Trip Planner app at [www.transportnsw.info](http://www.transportnsw.info)

You can find out further information on these bus routes, where they stop, and their timetables by going to TfNSW's website: <https://transportnsw.info/routes/bus>

Some services may be provided by another operator and so will not appear on this list. Please make sure to plan your trip.
