ENRICHMENT PROGRAM
EXPRESSION OF INTEREST FOR SEMESTER 2 WORKSHOPS

Dear Parent / Guardian

Your child is invited to participate in an innovative project designed to enrich the learning of gifted and talented students.

We are offering a series of four workshops over Term 3 and Term 4 2016. Each workshop will run for four weeks only. Your child may be interested in being involved with the four workshops or may just be interested in attending only one, if they have a keen interest in a particular topic.

The four workshops are:

- | | | |
|-------------|---------------------------------|--|
| Art | - The Magic of Pottery | - 28 July, 4 August, 11 August, 18 August. |
| Writing | - Fact, Fiction, Fantasy Poetry | - 25 August, 1 September, 8 September, 15 September. |
| Science | - What's in the Cupboard? | - 20 October, 27 October, 3 November, 10 November. |
| Mathematics | - Are you an Einstein? | - 17 November, 24 November, 1 December
- 3 week program owing to State wide transition. |

Each workshop takes place on a Thursday at Lucas Heights Community School.

It will be the parents responsibility to transport their child to and from LHCS each Thursday their child's chosen workshop operates.

For further details, please contact Mrs Carolyn Lakiss, Deputy Principal, LHCS on 9543 8317. Please complete the attached form to your schools' principal by Wednesday, 29 June 2016.

Each workshop will be taught by a specialist in that particular subject and will take place in HB12, or in a specialist classroom, i.e. visual arts room, science lab. Parents please go to the front office where the teacher will meet you and your child on the first day of each workshop.

The cost of each workshop is \$110 (Mathematics is \$82.50). You will be required to pay this money to your childs' home school before each workshop begins.

Carolyn Lakiss
Deputy Principal
