SCOPEIT - TERM 3

As part of our ongoing commitment to educating our students in digital technologies, we will be offering the ScopeIT program again this year for all K-6 students.

The program will run for 10 weeks every Tuesday for Term 3. The cost is the same as last term at \$50 per student per term.

We encourage all students to participate in the program as it will support the essential components of the new Science and Technology syllabus and 21st Century Learning.

We believe the ScopeIT program is outstanding value for money at only \$5 per lesson per student (a total of \$50 per student per term) with state of the art equipment as well as technology instructors who can guide our students. Our teachers will remain in the classroom, learning along with our students.

Please access www.scopelEducation.edu.au to read about the program offered to schools.

Please return permission note and payment of \$50 to the front office by Thursday 1 August.

- Payments (online, cash, cheque and eftpos) for all excursions/incursions and extra-curricular programs, **MUST** be made by the due date as stated on the permission note.
- If payment is not made by the due date, your child will not be allowed to attend/participate in the event.
- **Any payments made after the due date will be processed into 'fees in advance'.**

Regards

Carolyn Lakiss
K-6 Deputy Principal

LUCAS HEIGHTS COMMUNITY SCHOOL
