When completing the Menai Music Enrolment Form, parents/guardians are required to sign at the bottom of this page, indicating they confirm the student is in good health and may participate in music activities at the studios. Any medical condition(s) must also be identified and consent given in case of an emergency requiring medical treatment or treatment at a hospital facility via an ambulance if required.

It is at all times the responsibility of parents and guardians to ensure students are delivered and collected to classes safely, on time and not left unsupervised. We do have a small waiting room where parents and students can wait but students must be supervised at all times.
